WHAT A SUMMER...AND WHAT A FALL AWAITS FBC, HASKELL

What a Summer. Who ever saw it rain like this in July!! Never seen the grass this green into July. Everybody is talking about it. God controls the weather. Maybe we need to ask Him what is going on. These are the last days! You'd better buckle up for the ride. Are you ready? Let us be AWAKE and not asleep church.

WHAT AWAITS US AND WHAT WE'RE STARTING ANEW

Beginning August 4th we are beginning Prayer Meeting at 6pm. We will spend our first part praying because after all, it is Prayer Meeting. The last part we will study about the TABERNACLE and all its implications to us. Christ will be the center of our study on the tabernacle and His relevance to our lives.

CHILDREN'S ACTIVITIES ON WEDNESDAY NIGHT

I have met with some of our children's leadership and we agree we need some changes from the last several years. We want the best for our children at FBC and Haskell. There are several options and we are seeking God's leadership. You'll hear about this soon and it will be God centered for our children's needs. It will be fun and under control.

OPPORTUNITIES IN PERILOUS TIMES

With the challenging economic climate we are experiencing right now, this is the BEST time to grow our church. You see, unchurched people are most likely to come to church when they are in trouble, under tension, or in transition.

Praying to meet needs through Christ,
Bro. Jim

FROM THE YOUTH GUY.....

Well, summer is coming to an end and school will be starting back up soon. It has been a great summer for our students. From Super Summer to YEC to Youth Camp it has been great to see God moving in our students' lives this summer. We still have a couple of events coming up in the next few weeks.

Next Wednesday night August 4th we will have our Youth Cookout at Ashley Adams' house.

We will have food and games and great fellowship. Come prepared to get wet with some water games too. It will be great fun.

We will start back on our regular schedule on Wednesday nights on Wednesday, August 11th at the cabana at 7:15pm. Come and let us get ready and pray for the upcoming school year.

I pray that this school year would be a great one and that our students would impact their campuses each day.

May God bless you this week and I will see you on Sunday.

God Bless, Jason
