Texas Hope 2010

"Christ in you, the hope of Glory." Colossians 1:27

Several churches in town have joined together
to spread the gospel to every home in Haskell by Easter 2010.

**We need people who will step up and be team leaders and
people who are willing to help the team leaders.**

Each team will be given a list of addresses which they will go to and
place bags containing a gospel multimedia CD
and a list of Haskell churches.

There will be a board in the sanctuary for you to sign up on
or you may call the church office

If it would not be possible for you to go door to door,
please sign up to stuff the bags that will be delivered.

*There is nothing more urgent than telling the world about the
incomparable love of Jesus Christ and the saving grace of God.*

Jesus said, "As long as it is day, we must do the work of Him who sent
Me. Night is coming, when no one can work. While I am in the world,
I am the light of the world" John 9:4-5

Please be in prayer about what God would have you do
to help in this Hope 2010 project.

FROM THE YOUTH GUY.....

I hope that everyone is having a great week. FBC wrote a new chapter this past week as we elected 7 new deacons into the church. Congratulations to them and also I ask that you pray for them as they enter into this role of leadership into the church. I would also ask that you pray for the Texas Hope 2010 project. We will in the next couple of weeks be announcing when we will be distributing the cd's to the households in Haskell. This is a great opportunity to minister and spread the gospel to people that may not have heard it before.

I also would ask that you continue to pray for our children's ministry on Wednesday nights. We are still in need of more volunteers, so if you feel that God is calling you to do this please come and help out. Our children's ministry starts at 5:30 pm on Wednesdays.

Lastly, continue to pray for our youth. We have an FCS fellowship on Sunday, January 24th @ Calvario and then we have another FCS fellowship on Sunday February 7th @ the cabana. These are great opportunities for fellowship so come and be a part of them.

I hope that everyone has a great rest of the week and may God bless you. See you on Sunday.

God Bless, Jason
